

## Acknowledgements

*I wish to thank Dr. (Mrs.) Sandhya Kiran Garge, my research supervisor, for her constant support and guidance for my Ph. D. programme. She has been a great source of inspiration and had provided valuable criticism and suggestions during the course of Ph.D work.*

*My heartfelt gratitude goes to my father, Prof. (Dr.) Mammen Daniel, Head, Department of Botany, M. S. University, for all the facilities provided and also for constantly inspiring me and guiding me throughout my life and also in my researches. I would like to thank Prof. G. M. Nair, Head, Department of Botany, Kerala University and Dr. P. J. Mathew, TBGRI (Tropical Botanical Garden and Research Institute), Palode, Kerala for helping me in the collection of the plants for my studies.*

*I am indebted to Dr. S. S. Pandya, Principal, Babaria Institute of Pharmacy for granting me leave for completion of my Ph.D. I am very grateful to Mrs. Parul Patel, Head, Babaria Institute of Pharmacy and my colleagues for their whole-hearted support.*

*Special thanks to my lab-mates – Sallykutty, Remya Ranjith, Anamika Kumari, Dipa Gohil, Amit Gohil, Poonam and Archana for their valuable support and encouragement throughout my Ph. D. work. I would also like to thank here all my friends and near and dear ones whom I have not mentioned.*

*My sincere thanks are due to my mother (Mrs. Rachel Mammen) and parents-in-law (Mrs. Leelamma Rajaji and Mr. Rajaji Muthalaly) for their support, love, care and encouragement. I thank my 'little brother', Denni Mammen for his valuable support and help in my work. I am extremely grateful to my loving husband, Mr. Robin Rajaji, for his constant support, encouragement, prayers and for helping me in completion of my thesis.*

*Above all, I thank God Almighty for showering blessings upon me all my life especially to complete this work in time.*
