

ACKNOWLEDGEMENT

This dissertation would not have been possible without all those who have directly/ indirectly supported me in my entire journey of undertaking a doctoral programme.

First of all, I earnestly express my gratitude to my co-guide, **Dr. Anitha Thomas**, who has helped me out to identify the relevant study topic and constantly motivated, monitored in all the phases right from drafting the research proposal till the submission. She stood beside me as a strong pillar, supporting, making me learn new things, relearn and unlearn the required things. Expressing gratitude from the bottom of my heart for all the support that she has extended to me.

Expressing thanks to my guide, **Dr. Archana Tomar**, who came to me as a research guide, during the phase of tool preparation. She was also a strong support to me, in the subsequent research progress. Expressing gratitude to her for facilitating all the requirements of doctoral programme as per the university norms, guiding me in writing chapters, research papers, arranging and facilitating DRC every semester even at the time of pandemic. Her constant support, motivation was sufficient enough to gear my steering and proceed forth work.

Thanks are expressed to Navrachana University, for facilitating during the entire journey of doctoral work and providing various learning opportunities right from the time of course work. Thanks, are also expressed to other faculty members – **Dr. P.V Xavier**, for regularly following up of the research work. Thanks, are also expressed to **Dr. Mandira Sikdar**, Coordinator Ph.D. programme for all her support. Thanks to all the teachers who share their expertise during the course work period.

Gratitude is also extended to all the principals and the teachers from the schools chosen for the study for their overwhelming support during the data collection and also every-time whenever they were approached during the extension work of the study during the time of Covid-19.

My Parents deserved a heartfelt of thanks for their support, encouragement, their wishes, taking care of my daughter **Kashaf** in my absence which was a motivation and huge support for completing all the phases of the dissertation work.

Acknowledgment is also extended to both my sisters and other family members for always supporting me. Gratitude is also extended to my husband **Kamil Raza**, who supported in each and every way, accompanying me to schools for the purpose of data collection as well as taking care of my daughter.

Gratitude, are also extended to the Doctoral Committee Members, **Dr. Leena Mehta**, whose constant guidance, feedback and support like a mother paved my way towards completion of the dissertation. **Thanks**, are also extended to **Dr. Mitsu Acharya** for her positive feedback and support in all the doctoral review presentations.

The Almighty can never be thanks for all his blessings and all the best things laid for me in my destiny.
