## Certificate

This is to certify that the thesis entitled "Experimental investigation on duplex stainless steel weld by Activated TIG welding and its variants" has been prepared by Ms. Dipali Pandya under my supervision and guidance.

The thesis is his original work completed after careful research and investigation.

The work of the thesis is of the standard expected of the candidate for PhD program in Mechanical Engineering and I recommended that it be sent for evaluation

  
Dr. Amarish D. Badgujar

Forwarded through
