

ACKNOWLEDGEMENT

As I come to the end of this enriching long academic journey, I wish to acknowledge my sincere gratitude to all, who helped me reach here.

Firstly, I thank God for His blessings that gave me the strength to undertake this Research Study and stay on course.

Next, I express my sincere regards and gratitude to my Supervisor, Dr. Nilay Yajnik, Provost, Navrachana University, Vadodara (NUV) for his continuous support, guidance and motivation during my research work. He gave invaluable inputs and perspectives at the critical junctures.

I am also indebted to my Co-Supervisors, Dr. Chakradhar Iyanni, Ex- Faculty Member, L&T Institute of Project Management, Vadodara and Dr. (Ms.) Darshee Baxi, Associate Professor, NUV for providing me relevant inputs all through the course of my Research. Dr. Chakradhar and Dr. Baxi assisted me in the problem formulation, design of the Pilot Study Questionnaire, conducting Semi-Structured Interviews/ Focused Group Discussions and the Final Survey. I am also thankful to Dr. Surendra Sundararajan, Professor, The Maharaja Sayajirao University of Baroda and Member of the Doctoral Committee for his extremely valuable inputs and suggestions to enrich my Study.

I am also thankful to Dr. Nirlesh Kothari, Ex-Dean, School of Business and Law, NUV for his valuable suggestions in finalizing my PhD Proposal.

I am extremely thankful To Dr. (Mrs.) Medha Wadhwa, Assistant Professor, Sumandeep Vidyapeeth, Vadodara for her rich inputs on quantitative analysis.

I am also thankful to Dr. (Mrs.) Lipika Majumdar, Assistant Professor, NUV and Dr. Dinesh Panchal, Assitant Professor, NUV for clarifying the finer aspects of the quantitative analysis and to Dr. (Mrs.) Mandira Sikdar for her general guidance on the thesis.

I am very fortunate to be associated with a team of Experts for all the areas of EPC Business – Engineering, Procurement, Construction & Commissioning, Project Management, Contract &

Risk Management, Strategy, IT, Digital etc. List of Experts is given In Appendix 3. Their inputs have helped my research immensely.

I thank Ms. Aditi Bandyopadhyay, Head – IT. L&T Power and Ms. Aanal Shah, Manager, IT, L&T Power for helping me to design the e-Survey (final survey) process and manage the entire survey data.

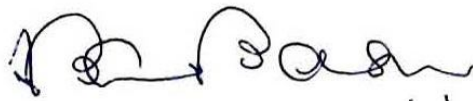

I thank Dr. Dharmendra Trivedi, Head- L&T Institute of Project Management Library, Vadodara and Dr. Meghna Vyas, Head - Navrachana University Library for providing critical inputs for my Study.

I am also extremely thankful to our family friend, Mr. P. K. Jenendran for his invaluable assistance and help in designing, developing and managing the research manuscript.

I am fortunate to have an extremely supportive wife in Dr. Susmita Basu, who has been a pillar of strength to me all through this journey. I also drew strength, support and love from my lovely daughter, Nivedita, affable Son-in-Law, Indranil and sweet granddaughter, Aindrita “Disha”. They all provided emotional support to keep me going.

I salute my late parents, Shri Benode Kumar Basu and Shrimati Kamal Prova Basu for bringing me to this world, giving me strength and guidance to complete my work.

Finally, I wish to place on record the love, encouragement and support received from all my friends, colleagues and well-wishers in this journey.

Bibhas Kumar Basu
