

Acknowledgement

I would like to express my deep sense of gratitude to my supervisor, **Dr. Pallavi Ghalsasi**, Department of School of Science and Engineering, Navrachana University, Vadodara, Gujarat (India), for her supervision during the period of my research work. Her optimism, encouragement, and sustained guidance offered me encouragement to stay true to my objectives.

I would like to express my special thanks and gratitude to **Prof. Prasanna Ghalsasi**, Department of Chemistry, Faculty of Science, The M.S. University of Baroda, Vadodara, Gujarat (India), for kind cooperation, timely support, and valuable suggestions.

I express my sincere gratitude to **Prof. P. K. Mehta**, Department of Physics, Faculty of Science, The M.S. University of Baroda, Vadodara, Gujarat (India), and **Dr. Tushar Teredesai**, Principal Software Engineer, GE Vernova, Bothell, Washington, USA for their commitment, kind support, and valuable feedbacks throughout my research work.

I would like to acknowledge lab technician **Dinesh Parmar** for his timely support for experimental setups. I express my heartfelt thanks to my friends (**Aashna Jain and Jaimin Trivedi**) who helped me several times during my research work. I am thankful to all of them who helped and encouraged me in the successful completion of my research work.

I thank my parents (**Mr. Jagdish Lal Shah and Mrs Shobha Sah**) and father-in-law (**Mr. Ajeya Kumar Sah**) whose blessings strengthened my confidence and encouraged me to complete my research work. I am extremely thankful to my husband (**Mr. Paritosh Shah**) whose love, affection, and support, encouraged me throughout my research journey. His love, patience, and understanding were great tools to help me believe in myself. My special thanks are for my kids, **Yashraj Shah** and **Prathamesh Shah** for their support and unconditional love.

I would like to thank everyone who helped me throughout my research journey.

Archana Paritosh Shah
