

## ACKNOWLEDGEMENTS

This piece of acknowledgement is a fond revival of a journey, blessed and enriched by love and experiences of many, who will always hold a special place in my heart. I convey my soulful gratitude to one and all associated with me throughout this journey, who helped me, guided me and selflessly stood by me as support.

First and foremost, I bow my head to the Lord Ganesha whose generous blessings gave me the courage and strength to successfully complete this work.

It is my proud privilege to express my sincere gratitude to my revered guide Dr. Mandira Sikdar, School of Liberal Studies and Education, Navrachana University, Vadodara for the help and support she provided in every phase of this research Study. Her critical and analytical views, stimulating encouragement, constructive comments, and painstaking efforts throughout the entire work of this investigation enabled me to accomplish this Study.

I place on record my deep sense of gratitude Dr. R. G. Kothari, Ex-Dean of Department of Education, M. S. University of Baroda for reviewing my Study at every stage and giving me specific and clear guidance throughout the journey. I offer my sincere thanks to Dr. P. V. Xavier, Principal, Education Department; Dr. Rishiraj Balwaria, Ms. Valli Pillai, Dr. Archana Tomar, Dr. Vandana Talegaonkar from School of Liberal Studies and Education, Navrachana University, Vadodara for taking genuine interest and giving moral and academic support in different forms throughout the research work.

My most heartfelt gratitude goes to Dr. Lipika Majumdar, Assistant Professor, School of Engineering and Technology, Navrachana University, for painstakingly and sincerely going through the entire Instructional Package and the Research Tools and giving the most important inputs that formed the backbone of the Study in the form of the Package. The same gratitude is felt for Dr. Pramila Ramani, Assistant Professor, Department of Education, Central University of Tamil Nadu, Thiruvurur for providing her expert guidance on the Package, tools and the methodology of the Study. I would also like to offer my sincere thanks to Dr. Shilpa Papat, Assistant professor, Department of Education, Central University of Gujarat, Gandhinagar; Mr. Snehal Soni, Head of Mathematics Department, Navrachana School, Sama, Vadodara; Ms. G. Sumangla, TGT, Mathematics Teacher, Delhi Public School, Vadodara; Ms. Mary Chacko, PGT, Physics Faculty, Navrachana International School, Vadodara for giving valuable inputs which strengthened the Instructional Package and the tools of this Study.

I am thankful to Dr. Meghna Vyas, Head Librarian, Navrachana University, Vadodara for providing technical support in terms of plagiarism checks required for the thesis, tools and

publications. The Navrachana library and the CASE library of the M.S. University of Baroda were major places from where a lot of inputs for the Study were collected, thus the librarians owe a special thanks from me. I express my gratitude to the Admin staff, Navrachana University to promptly address all the administrative requirements for this research Study.

I express my deepest gratitude to Ms. Sandra Fernandes, Principal, Maharani English Medium School to provide access to the school premises for initial observations, providing student data required for the Study and making provision for the final implementation of the Instructional Package. I am equally thankful to the students and the teachers of the school to excellently cooperate throughout the conduction of the Study. I am thankful to the Principals of schools like Navrachana School, Sama; Gujarat Public School, Vadodara; Maharani English Medium School, Vadodara to allow observations of regular teachers teaching Mathematics in the classrooms, which helped me justify the need for this research work. My earnest gratitude goes to the Principal, Kelavani English Medium School, Baroda for providing permission to conduct the Pilot Study in the school.

I highly value the academic and moral support of my friend Ms. Vaibhavi Gawarikar that kept me encouraged and motivated throughout the entire Ph.D. phase.

I thank the revered to bless me with wonderful parents, who may not be with me physically but their presence is always felt. I thank my mother, Ms. Manju Pramanik for her selfless gestures of love and support. Finally, there are no words to express the gratitude I feel for my husband Mr. Indrajit Poddar and my son Shaumik Poddar – my two strong pillars. This was possible only because of YOU.

March 2021

  
Ms. Sangeeta Poddar
