

Appendix 2(a)

Notification and Consent Form

This is to notify that as a part of this proposed field experience curriculum, the students will be going for various construction site visits & attending experts lectures, which will happen only on Saturdays and (may be) Sundays during institute's non-working hours.

The probable program for Pilot / Field trial is as below:

- Brief Field Visits: Weekends - 2nd week of March thru 2nd week of April
- (3- 4 weekends) Construction Site Visits on Saturdays & Sundays
- Expert lecture - Saturday (morning or afternoon)
- Total of 3-4 Site visits & 2-3 expert Lectures.

Please note there will be Pretest (before field experience) and Post test (after field experience).

- Students will be submitting Group Project Report, Project Presentation and will be appearing for Viva Voce in regards to above attended program.
- Students will be divided into different groups & appointed group leader will be responsible for group's performance
- Students must attend all the sessions of Project Site visits and Expert lectures.
- Once you register for the program you will not be allowed to back up or remain absent for the program.
- Students will be responsible for their safe travel to Construction sites which will be located in Vadodara City. Hence the researcher will not be held responsible in case of any unforeseen mishap.
- Students must ensure to follow safety guidelines per site supervisor while visiting & performing group project activities on construction sites.

If you have read and agreed to the above details please sign this consent form to participate in the above program by attaining the permission of your institute or department.
