

Appendix 2(b)

Notification and Consent Form

This is to bring in the notice of the students that as a part of this proposed Field Experience or Summer Internship program's curriculum, the students will be going for various construction site visits & attending experts lectures, which will happen during the summer vacations.

The probable schedule for (summer) PBL based Internship Program is as below:

- Field Visits: Begin 2nd week of May thru May 31 (3 weeks)
- Construction Site Visits : Mon thru Saturdays
- Includes Visit to GERI, Precast Plant & Expert lectures.
- Sundays will remain off.

Please note there will be Pretest (before field experience) and Post test (after field experience). Students will also be submitting Weekly Reports, Group Project Report, Project Presentation and will be appearing for Viva Voce in regards to above attended Field experience program.

- Students will be divided into different groups & appointed group leader will be responsible for group's performance and required submittals.
- Students must attend all the sessions of Project Site visits and Expert lectures.
- Students will be keeping the log book / internship notebook updated with the daily notes for the assigned project activities during site visits to prepare final project report and presentation.
- Once you register for the Internship program you will not be allowed to back up or remain absent for the program.
- Students will be responsible for their safe travel to construction sites which will be mostly located in Vadodara City. Hence the researcher will not be held responsible in case of any unforeseen mishap.
- Students must ensure to follow safety guidelines per site supervisor to wear shoes and hard caps while visiting & performing group project activities on construction sites.
- Students must maintain perfect discipline during the program activities and will not behave in a manner, which will bring dis honour to the researcher and the institute.

- Students must strictly follow all the timings and the instructions given by the authorities.
- Students will be fully responsible for the loss of their belongings on site.
- Student's parents are well aware about their participation to this field experience program.
 case of any unfortunate event, such as, accident, injury or loss of life, happens, the researcher, staff members, construction company or their employees will not be held responsible.

** Students who will sign this consent form to attend Internship program will have to appear for Pre test, Post test and to submit the Weekly report, Final Project Report and Presentation on the scheduled time per given instructions.**

If you have read, understood and agreed to the above Field Experience / Summer Internship program requirements please sign this consent form to participate in the above program by attaining the permission of your institute or department.
