

## **Acknowledgements**

*At the onset, I would like to thank the **Almighty**, for his guidance, protection, blessings and help at every stage of my life thus far, for giving me the mental strength, perseverance and patience to work relentlessly in all the silence so that today my accomplishments raise all the decibels and I can stand proudly with my head held high. Without God's grace, this achievement would not have been possible.*

*At this moment of accomplishment, I express my deep sense of heartfelt gratitude to my research supervisor **Dr. Sandeep R. Patil**, Associate Dean, School of Science, Navrachana University, Vadodara, for his inspiring, splendid and authentic guidance, moral support and constant encouragement throughout my research work. His passion and dedication towards research have stimulated, provoked and facilitated me to complete this endeavour. I could not have imagined having a better research supervisor and mentor for my Ph.D. study. His role will always remain fundamental in shaping my future. I am thankful for the support and liberty that he provided me to develop an attitude of independent scientific thinking, for keeping faith in me and accepting me as a research student. His dynamic thinking, invaluable suggestions and encouragement at the difficult times have led to the successful accomplishment of this thesis. Under his guidance, I successfully overcame many difficulties and learned a lot. He has always made himself available to clarify my doubts despite his busy schedules and I consider it as a great opportunity to do my doctoral program under his guidance and to learn from his research expertise. This thesis would not have been possible without his extraordinary support.*

*I take this opportunity to sincerely acknowledge my research committee members: **Dr. Elizabeth Robin, Dr. Sanjeev Kumar, Dr. Suneet Kumar Yadav and Dr. Sumit Bhawal, Dr. Mandira Sikdar**-Program Chair-Ph.D. Navrachana University, who have been kind and considerate to offer me their time and suggestions during the course of the doctoral studies to exalt the quality of my research work.*

*I warmly thank Professor, A. V. Ramchandran, Mentor, School of Science, The Provost, **Dr. Nilay Yajnik**, The Registrar, **Dr. Sandeep Vasant**, and **Shri Rajesh Talati**, Ex-Registrar, Navrachana University and Management of Navrachana University for providing me all the required facilities to carry out my research work. I am grateful to all teaching and non-teaching staff of Department, for providing a stimulating and pleasant atmosphere.*

*I would like to acknowledge **Science and Engineering Research Board- Department of Science and Technology, Government of India** for providing financial support. I am also grateful to **Dr. Matthias Hloucha, BASF, Dusseldorf, Germany** for providing the sugar based industrial grade non-ionic surfactants.*

*I am thankful to **Mr. Ketan Bhavsar Sir** and **Babu Kaka** for their help in setting up the water bath that was used for carrying out the formulation of the microemulsion system.*

*I am grateful to all my colleagues, Faculty members at Navrachana University, **Dr. Denni Mammen, Dr. Amit N. Patwa, Dr. Brijesh Shah, Dr. Vishwanath Zunjar, Mr. Adil Khan, Chirag Bhai, Sohail Bhai**, for their timely help. I am also thankful to all my Ph. D classmates for their encouragement.*

*I would like to thank my parents and family members for allowing me to realize my own potential. All the constant moral support, affection and care they have provided me over the years was the greatest gift, without which I would not have been able to complete this doctoral thesis. It was their kindness and patience that they allowed my absence from my family duties. I have no words to express my sincere gratitude to my beloved father **Mr. Habib B. Solanki**, mother **Ms. Mumtaz H. Solanki**, loving brothers **Mr. Shahrukh H. Solanki** and **Mr. Hardil H. Solanki**, loving sister-in-law **Ms. Sumaiyya S. Solanki**, loving sister **Ms. Shabnam V. Raj**, loving brother-in-law cum friend **Mr. Vajid D. Raj**, loving cute little nephew **Mr. Taimur S. Solanki** and niece **Ms. Aafiya V. Raj**, for their untiring support towards my career and life. They brought me up with unconditional care, love, support, inspiration blessings and mould my life with good civilized nature for better society. I feel much obliged to my father and mother for all the troubles they have taken to give me the best possible education to achieve my dream. Thank you Mummy and Papa, you dreamt what I am today. I am grateful to my grandfather, **Late. Mr. Bahauddin Solanki & Allahrakha Nana**, grandmother **Late. Ms Fatma Solanki (Fulma) & Hasina Ma** and aunty, **Late. Ms. Dipti Solanki**, who were not beside me physically but their presence was always there during my journey of Ph.D. I am heartily thankful to one who always stood by side, my beloved husband, **Mr. Sahil I. Mansoori**, for his unrelenting and unconditional support during the pursuit of Ph.D. that made the completion of thesis possible. You were always around to help keep things in perspective. I greatly value your love, contribution and belief in me.*

*A journey is easier when you travel with your beloved friends and family members. I would like to say special thanks to my uncle **Mr. Noor Muhammed B. Solanki**, aunty **Ms. Sakina N. Solanki** and my cousins, **Mr. Ahmed Solanki, Mr. Junaid Solanki, Ms. Naziya Solanki** and to*

*all my dear friends, **Asha Pillai, Khushboo Bhanderi, Krishika Mishra, Shrey Mishra, Aashna Jain, Viren Parikh, Karan Mistry, Kanan Iyer** for always encouraging me in my difficult times during this journey throughout the years.*
